SUBJECT: XXXXXX 512-463-2012 Olin Wallisville Road (S.P. Oliver) Houston, TX		
SUMMARY OF COMMUNICATION		
<p>The State of Texas has ordered Olin under the new Texas Superfund law to clean up this site (that portion of the site which include the drainage ditches, not the property itself). Olin appealed the Order and the hearing (trial) is set for January 26, 1987.</p> <p>Mr. Berwick was notifying me that, as "custodian of the file" and as the HRS person, I would likely be called to testify. He is especially concerned about testimony related to a site which scores below 28.5 and what that means regarding "level of hazard". Imre Sekelheidi of the FIT contractor and personnel from the CLP may also be called to testify.</p> <p style="text-align: right;"><i>OLD COPY - S P HRS</i> <i>YAC 11/5/86</i></p> <p>TWC contact - Fred Dalby</p>
